↗ Career Objective

To utilize my exceptional investigative skills and extensive experience in law enforcement to contribute to the safety and security of Bern, Switzerland, while upholding the principles of justice and integrity.

💼 Experience

○ January 2010 – present

Senior Detective at Bern City Police Department

- Lead and supervised a team of investigators in solving high-profile criminal cases.
- Successfully closed a series of unsolved murder cases, earning commendations from the department.
- Collaborated with international law enforcement agencies on cross-border criminal investigations.
- Conducted surveillance operations and undercover work to dismantle criminal organizations.
- Utilized advanced forensic techniques to analyze evidence and present findings in court.

○ May 2005 – December 2009

Detective at Zurich Regional Police

- Conducted investigations into various criminal activities, including theft, fraud, and assault.
- Assisted in the development of surveillance strategies for sensitive cases.
- Participated in joint operations with other Swiss law enforcement agencies.
- Maintained detailed case records and prepared comprehensive reports for legal proceedings.
- Attended specialized training in cybercrime investigation and digital forensics.

🎓 Education

○ Graduated in May 2004

University of Bern

- Bachelor of Science in Criminal Justice
